

Dear Potential Sponsor,

I am writing to ask for your support of Andrastrong, a California non-profit corporation, built on the legacy of Andrae Dominic Sanchez, a young man that battled an illness and inspired many locally and globally by his strong will to persevere and faith in God, through his trials. Andrae was involved in track and field, football, wrestling, dance and drama at Tokay High School, as well as being focused on his education. He was 17 years old when he received his cancer diagnosis but never let that stop him, he persevered and graduated high school as well as becoming an Eagle Scout, all while going through treatment. After high school, he was a youth leader through Amplified Youth and freshman football coach at Tokay High School. Andrae always reached out to kids in the community going through struggles, offering prayer, friendship and his testimony.

Andrastrong's purpose and desire is to give out scholarships and sponsorships for local qualifying students and families. In order to do this we are looking for businesses and individuals that would be willing to make one time donations, become monthly sponsors or donate items that could be used in raffle baskets or prizes for fundraising events.

Please contact me at 209-747-4959 if you are able to support our effort to make a difference in the community. Thank you so much for your kind consideration of our request, and we hope to hear from you soon.

With Joy and Blessings

Andrae Sanchez Sr.
